Here is the breakdown for **Shuswap FC Development Registration Fee's Paid to SYSA Office:**

\$220 Total Development Registration Fee

\$60 – Fundraising Fee

-----  
How and when it is paid:

\$100 – In September for the Development Fall Commitment

\$180 – (\$120 + 60) – In Feb/March for the \$120 remaining registration fees and \$60 in Raffle Tickets.

<\$60> – You get the \$60 back when you sell your raffle tickets and keep the money.

As a Development Player you also give one **Post-Dated Cheque** to the team manager, a \$50 Jersey Deposit \*This will only get cashed if you do not return your jersey at the end of the season.

## **Clothing Order (Paid Online)**

SYSA will be launching a new, easy to use, Online Shop for Development & Select Gear. Players will have a fitting period at the SYSA Office in February, and then parents can take their child's sizing chart home and order their Shuswap FC Gear Online. This process is going to limit mistakes, and take a large burden off of team managers.

## **Team or Tournament Fee's (Paid to team Manager)**

This is something discussed between the parents and the team manager, the amount may vary depending on how many tournaments and team functions your team is planning. Some teams just collect money every tournament/event, some collect it all up front for the whole season.
