

## **SYSA SPRING 2020 OUTDOOR HOUSE SOCCER PROGRAM**

As you are all aware all sanctioned soccer activity has been suspended by Canada Soccer. This includes all league play, programs and clinics. At this time, we do not know the length of the suspension, however, BC Soccer & Canada Soccer will be keeping all member clubs updated and informed on an ongoing basis.

SYSA has made the difficult decision to cancel all planned house programs for the upcoming 2020 Spring-Summer season. This will include our Timbits program and all house league games. Development and Select league schedules operated under the TOYSL umbrella are currently under review by the clubs and will be following guidance from both the soccer governing bodies and the appropriate health authorities.

### **SYSA FINANCIAL SITUATION**

In these uncertain times we understand how important your money is to you. While SYSA has not delivered any Spring 2020 outdoor activities, we have put in a lot of time and effort behind the scenes in preparation for what was shaping up to be a great season. Prior to the soccer shut down the club followed its normal seasonal practice of ordering the required team jerseys and equipment.

No spring programming means we will be incurring a substantial deficit for the year to come. We would like to kindly ask families to consider carrying over your registration until 2021, or make a small contribution to the club. With your support the club will be in a stronger position to manage our current operating expenses, future registration fees and plan new programming to get us all "back on the field " in the coming months.

### **YOUR CLUB – YOUR CHOICE**

#### **Reimbursement options:**

1. Carry over your 2020 registration for a full 2021 Spring registration.
2. Receive a refund, less a contribution of your choice in support of the club. (example: 10% or \$10)
3. Receive a full refund.

Instructions: Reply to [admin@shuswapsoccer.com](mailto:admin@shuswapsoccer.com) with your child's name(s) and reimbursement option.

Notes: Online payment transactions will be reversed, cash and cheque registrations will be mailed a cheque, we will confirm mailing address. Registrations not claimed by May 31, 2020 will be carried over until Spring 2021.

### **HOPE FOR FUTURE PROGRAMMING**

We hope when we do finally get through this, SYSA will be able to adapt to the new world of youth sports and be able to offer you a safe and enjoyable soccer experience. SYSA has a huge part to play as we recover from these challenging times!
