As part of the SYSA “Return to Play” protocol the following procedures will be enforced:

SYSA staff will:

- conduct daily symptom screenings for all participants
- Have a zero tolerance policy for ‘playing while sick’ - ensure that participants do not participate if they are symptomatic.

Implement enhanced hygiene protocols:

- Frequent and proper handwashing (Health Canada Guidelines 13)
- Avoid touching eyes, nose and mouth
- Cough into your sleeve

You should not participate or come to the facility if:

- you don’t feel well or are displaying symptoms of COVID-19
- someone in your household has COVID-19 or is showing symptoms of COVID-19
- you have traveled outside of Canada within the last 14 days
- someone in your household has traveled outside of Canada within the last 14 days Consider your own risk - if you are at higher risk of experiencing serious illness from COVID-19,

Good Practices

- Frequent and proper handwashing (Health Canada Guidelines13)
- Avoid touching eyes, nose and mouth
- Cough into your sleeve
- Have participants sign a Participant Agreement or Waiver (attached)

Reminders to participants

You should not participate or come to the facility if:

- you don’t feel well or are displaying symptoms of COVID-19
- someone in your household has COVID-19 or is showing symptoms of COVID-19

Registration

- Where feasible all participant registration should be done online, including collection of payment.
- ***Participants will be required to sign a Consent Form or Waiver (Salmon Arm Rec Society)***
- Program organizers should take attendance and keep a record of all participants in case of an outbreak
- Drop-in activities will be prohibited

Arrival & Departure

- SYSA will set a time in which it is appropriate for participants to arrive in advance of their scheduled activity (example – participants should not arrive sooner than 20 minutes before the scheduled start time, and there should be sufficient space for physical distancing while lining up or waiting to begin)
- At the end of their scheduled program/time slot participants must immediately leave the facility
- Staggered start times to account for individuals moving in and out of the facility/playing area

Communication to Players & Parents

Ensuring safety measures are being met and adhered to depend on everyone being aware of, and understanding the health and sport specific guidelines. Communication of the guidelines to your participants and spectators is an important component of our Return to Play Plan.

Participants will be asked to acknowledge they have read the guidelines and understand their risk before participating. It should also be communicated to participants that they are subject to removal from activities/facility use should they fail to comply with outlined protocols.

Outbreak Plan

Early detection of symptoms will facilitate the immediate implementation of effective control measures.

An “outbreak” is two or more cases; a “case” is a single case of COVID-19.

SYSA will Implement the illness policy and advise individuals to:

self-isolate - monitor their symptoms daily, report respiratory illness and not to return to activity for at least 10 days following the onset of fever, chills, cough, shortness of breath, sore throat and painful swallowing, stuffy or runny nose, loss of sense of smell.
