

FOR IMMEDIATE RELEASE (Wednesday 8/26/2020)

Salmon Arm, BC

Following Monday's announcement from BC Soccer of a move to Phase 2 of "Return to Play" The soccer club is now in the position to get back on the pitches in coming weeks.

Club staff are currently reviewing the updated guidelines and will be releasing a series of fall programs in the next few days. The various age group sessions for both boys and girls will focus on skills development with additional adapted in-house games (small fields, no throw-ins, limited rosters) as required by the sports governing bodies. SYSA continues to work with both Worksafe BC and all local authorities to provide a safe environment for all participants.
