Soccer Association

## SYSA Spectator And Parent Code of Conduct

SYSA is committed to promoting positive behaviour on and off the soccer field through the support of coaches, parents, players, volunteers and officials. **Respect** is the communal responsibility of each participant in soccer to create an environment that is both safe and enjoyable for all who take part. SYSA is a strong supporter of making sport safe for our youth.

SYSA's agreement for non registrants for anyone not individually registered with the SYSA as either a Player, Team Official or Administrator ("Registrant"). To enforce a set of expectations around inappropriate behaviour for parents, legal guardians and spectators (collectively "Spectators"), including but not limited to offensive, insulting or abusive language or behaviour, sexist or racist remarks, violence and vandalism, in order to ensure the safety and enjoyment of all.

For the purposes of this agreement, a spectator is defined as an immediate family member associated with a game participant, including aunts, uncles, grandparents or children.

### **Spectators are asked to play their part by observing SYSA's Parent Code of Conduct at all times:**

1. I will not force my child to participate in sports;
2. I will remember that my child plays sport for his or her enjoyment, not for mine;
3. I will encourage my child to play by the rules and to resolve conflicts without resorting to hostility or violence;
4. I will teach my child that doing one's best is as important as winning, so that my child will never feel defeated by the outcome of a game/event;

5. I will make my child feel like a winner every time by offering praise for competing fairly and trying hard;
6. I will never ridicule or yell at my child for making a mistake or losing a competition;
7. I will remember that children learn best by example. I will applaud good plays/performances by both my child's team and their opponents
8. I will remain outside the field of play and within the designated spectators' area (where provided);
9. I will respect the match officials' decisions and never publicly question the officials' judgment or honesty;
10. I will respect and show appreciation for the volunteer coaches who give their time to provide sport activities for my child;
11. I will not interfere at any time with the duties and responsibilities of the coach or manager, including coaching from the sidelines during games or practices;
12. I will comply with the rules, policies and procedures of the team and the Club as they apply to me;
13. I will not act in any manner that is detrimental to the team or the Club;
14. I will support all efforts to remove verbal and physical abuse from children's sporting activities;
15. I will never engage in, or tolerate, offensive, insulting, or abusive language or behaviour toward any official, coach, player or Spectator.

The goal of the Parent Code of Conduct operating procedure is to promote a positive, safe and supportive environment for all participants at SYSA's soccer activities. If a Spectator chooses not to follow the Fair Play Code of Conduct, any, or all, of the following actions may be taken by SYSA and the Spectator may be:

- Issued with a verbal warning from SYSA or league official;
- Obligated to leave the match venue by SYSA or game official;
- Required to meet with the SYSA's discipline board;
- Requested by SYSA not to attend future games or practices; and
- Suspended or have SYSA membership revoked.

## **SYSA Spectator and Parent Code of Conduct Discipline**

**1st OFFENCE (Written warning):** Any Spectator judged by SYSA's discipline committee to be guilty of abusive conduct towards anyone in attendance at a club event will be reprimanded in writing.

**2nd OFFENCE (Discipline by hearing):** Any Spectator judged by SYSA's discipline committee to be guilty of a second conviction of abusive conduct towards anyone in attendance at a SYSA event will be required to attend a hearing with SYSA's discipline committee to address their behaviour. A second offence may result in a Spectator being suspended from attending future games and practices for a specified period of time.

**3rd OFFENCE (Discipline by hearing):** Any Spectator, judged by SYSA's discipline committee to be guilty of a third conviction of abusive conduct towards anyone in

attendance at a SYSA event will be required to attend a hearing with SYSA's discipline committee to address their behaviour. In the unfortunate circumstance and as a last resort, for the protection of all participants associated with SYSA's soccer activities, a third conviction may result in all playing members of the immediate family in question being de-registered from SYSA for a period of time of SYSA's choosing that may be, at SYSA's discretion, unlimited.

In extreme cases and/or depending on the nature of the behaviour, as determined by the SYSA discipline committee, a suspension from attending future games or practices and/or the de-registration process may be invoked after a first or second offence.

This Code of Conduct only covers non-playing Spectators which are associated with a game participant. For incidents not related to the event or involving non-associated spectators SYSA cannot enforce may require civil action.

If the source of the abuse is from a Registrant such as a team official, discipline procedures for the individual(s) involved will follow the policies for discipline management for SYSA registrants as set out in the SYSA policies.

## **Reporting Abusive Behaviour**

- Game Officials

When a person(s) in attendance, including but not limited to the game official, feels they are being abused, as per the scope of this policy, by a Spectator, the game official will be allowed to suspend the game. In all cases, the game official must inform the coaches from both teams that the game has been suspended and file a Special Incident Report with SYSA, who will process this document in accordance with the rules defined by the BCSA.

If a Spectator's behaviour results in the game official suspending play, the appropriate coach will provide the game official with the name of the individual(s) that is identified by the game official and the coach must advise the individual(s) that the next occurrence of a similar nature will result in an abandonment of the game. If the individual(s) is not associated with either team, the individual(s) may be warned that local authorities may be called to deal with the incident.

Where the situation cannot be rectified the game will be abandoned. However, where the incident has been resolved and the game continues without any further incident, the game official will inform his/her referee coordinator that the game was temporarily suspended, including providing a detailed explanation of the reason for the suspension of play and toward whom the abuse was directed.

If the source of the abuse is from a Registrant, the game official should conduct himself/herself according to the policies for discipline management for SYSA registrants as set out in the policy.

In all cases the game official must file a Special Incident Report to SYSA's discipline board for review.

- Non-Game Officials

In the event that an incident of abuse is not recognized by a game official, or occurs in a non-game situation, for example during a practice session, it is the obligation and duty of the coach and/or other team officials to report such incident to SYSA's discipline committee. Details such as the day, time and location that the incident occurred, the parties involved, description of the abusive behaviour and to whom the behaviour was directed must be provided in the report.

A Spectator who feels that they have been the subject of, or witness to, abusive behaviour, including but not limited to a team official such as a coach, may submit a written complaint to SYSA's discipline committee. Details such as the day, time and location that the incident occurred, the parties involved, description of the abusive behaviour and to whom the behaviour was directed must be provided in the report.
